

# Transforming Lives

## Autumn 2008

In Autumn 2008 Transforming Lives invites you to look at God! Here are three sessions looking at different aspects of who God is and what God is like – a God who comes among us, a God who is just, and a God who reveals.

These sessions are designed for groups to use at any time through the late autumn. They are deliberately not linked to any date so they can fit in with church's local arrangements.

These pages fit into the Transforming Lives binder, where there is already a section heading waiting for them.

This whole pack is downloadable from [www.wakefield.anglican.org/transforminglives](http://www.wakefield.anglican.org/transforminglives).

### **In this Autumn 2008 pack you will find:**

- 'Looking at life with God' – a personal spiritual exercise.
- Study notes for three sessions.
- Leaders notes, ideas and a resource-list for each week.
- A feedback form. Please let us know what you think!
- Copyright information.

Our thanks go to Martine Crabtree, Chris Freeman, Robert Freeman, Deidre Morris and Pam Priestley for their contribution to these Autumn 2008 resources.

### **Lent 2009**

Transforming Lives resources for groups will be produced for Lent 2009. These resources will be both practical and spiritual, and will explore the themes of worship, pastoral care, spirituality, evangelism and community involvement. Materials will need to be order by 5 December 2008.
