From the Mission, Evangelism and Communications Team:

Dear Colleagues

Last year we launched the first Home for Christmas initiative, and this year we have developed this further so we can offer you a resource to make the most of your congregations at Christmas.

Included in this mailing is a sample card which you can use in two ways – either as an invitation card, or to hand out to the visitors who come to church for your Christmas services. The card is downloadable, or you can design it with your own church logo, picture, wording and service details, and have 300 glossy cards printed for £63 (philip@lqpsolutions.co.uk). Alternatively www.vistaprint.co.uk have special offers at present and you can set up your postcard on line.

We're here to help and resource you; please get in touch if there's anything else we can help you with.

The logo is downloadable at: www.wakefield.anglican.org/info/downloads/index.htm
